

RESOLUTION NO. 06-11

RESOLUTION OF THE BOARD OF DIRECTORS OF THE RUNNING SPRINGS WATER DISTRICT FIXING SEWER STANDBY OR AVAILABILITY CHARGES FOR FISCAL YEAR 2011-12

WHEREAS, Section 31104 of the California Water Code authorizes the Running Springs Water District to fix, on or before the first day of July of each year, a sewer standby or availability charge not to exceed ten dollars (\$10) per acre per year for each parcel of land in the District that is larger than one acre, and ten dollars (\$10) per year for each parcel of land in the District that is smaller in size than one acre, whether sewer service is used or not;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the Running Springs Water District as follows:

1. This Board of Directors finds and determines that sewer is made available by the District to all lots and parcels of land within the District, as shown by the County Assessor's Parcel Map Books, provided that:

1.01 Lots that have been determined by the County to be unbuildable, as documented by written verification from the County to the District, will be exempt from availability charges.

1.02 Certain half ($\frac{1}{2}$) lots that have been combined, for the purpose of assessment, into a maximum equivalent of one and one-half ($1\frac{1}{2}$) lots by the County of San Bernardino Assessor's Office will be treated as a single lot or parcel for purposes of availability charges.

1.03 Certain improved property where lots/parcels have been combined, by County lot merger, into one (1) assessor parcel number, and where a single structure that is connected to and using the District's sewer system is built across lot lines, and where the remaining portions of land do not meet the County of San Bernardino's building site requirements, will be treated as a single lot or parcel for the purposes of availability charges. Request(s) for this exemption must be made in writing to the District prior to July 1, 2011. A surveyed plot map showing the relationship of the structure to the lot lines or lot merger documents from the County must also be submitted with the request.

2. This Board of Directors does hereby fix sewer standby or availability charges for the fiscal year 2011-12 as follows:

2.01 For unimproved parcels of land one acre or larger in size, such charges shall be in the amount of ten dollars (\$10) for the first acre, and a prorated amount for any additional acreage rounded to the nearest one-tenth of an acre, if any portion of the parcel is within 200 feet of a sewer main of the District's sewer system; and in the

amount of four dollars (\$4) for the first acre, and a prorated amount for any additional acreage rounded to the nearest one-tenth of an acre, if no portion of the parcel is within 200 feet from such sewer main

2.02 For unimproved lots or parcels of land smaller in size than one acre, such charges shall be in the amount of ten dollars (\$10) for each lot or parcel if any portion thereof is within 200 feet of a sewer main of the District's system, and in the amount of four dollars (\$4) for each such parcel or lot if no portion thereof is within 200 feet from such sewer main.

2.03 For parcels of land within the District that are connected to the District's public sewer system, and each connected improvement is receiving the monthly unit sewer service charge, no availability charge will be levied.

2.04 For parcels of land within the District that are not connected to and using the District's public sewer system, and where each connected improvement is not receiving the monthly unit sewer service charge at the time the sewer availability charge invoices are mailed, such parcels shall be considered unimproved and shall be subject to the availability charge.

3. Availability charges shall be due and payable immediately and if not paid by July 1, 2011, a six percent (6%) late payment charge shall be added to the delinquent amount. The amount of any unpaid availability charge plus late payment charge shall be added to the tax roll, and shall constitute a lien on that land.

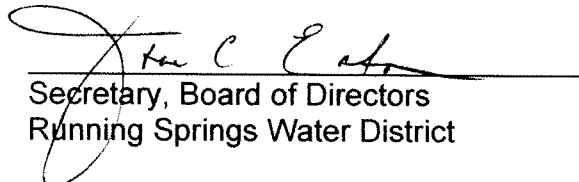

On or before August 1, 2011, the Secretary of the Board of Directors shall furnish in writing to the County Auditor a description of each and every parcel of land within the District upon which an availability charge remains unpaid, together with the amount of said unpaid charges plus late payment charge on each said parcel of land.

ADOPTED this 16th day of March 2011.

Vice-President, Board of Directors
Running Springs Water District
